

A Pirate Says Arr

The Backyardigans

If you wanna be a pirate, get upon your feet
You can't be a pirate if you're sitting in your seat
Swing your arms tough and stand kind of blue
And make this noise wherever you go

"Arrr! Arrr! Arrr!"

A pirate, a pirate, a pirate says, "Arrr!"
It might seem strange, just a bit bizarre
But they know you're a pirate
When they hear you say, "Arrr!"

"Arrr! Arrr! Arrr!"

A pirate, a pirate, a pirate says, "Arrr!"
You wear a spare part
A bandana and a scar
And they know you're a pirate
When they hear you say, "Arrr!"

The Jolly Roger is the pirate flag
A skull and some bones on a big black rag
We'll fly it on our ship up above the sails
Or we'll search for treasure and be tough as nails!

"Arrr! Arrr! Arrr!"

A pirate, a pirate, a pirate says, "Arrr!"
If you think we're noisy, you're right, we are
'Cause they know you're a pirate
When they hear you say, "Arrr! "
