

Almost Everything Is Boinga

The Backyardigans

Boinga!

Boinga's a word we don't understand

The words are different in Martian Land

Well, we don't know your language yet

Maybe you can teach us

Sure you bet

Boinga!

Almost everything is boinga here

Just in case you hadn't heard

Almost everything is boinga here

It's the Martians' favorite word

Do you call these hands?

Nope, we call them boinga!

Do you use post and pans?

Yep, we call them boinga!

Boinga!

We wear hats on our heads

Really? We wear boinga

Do you guys sleep in bed?

Nope, we sleep in boinga

Hey!

That's good!

Boinga!

Do your birds say boinga?

No, our birds say tweet

Do your flowers smell Boinga?

No, they just smell sweet

Do you walk on your boinga?

No, we walk on feet

Do you sit on your boinga?

No, we sit in our seat

Boinga! Boinga!

You certainly use that word a lot

Well, it means a lot of things, so why not

Is there anything Boinga dosen't mean?

Well, maybe there is but not that I've seen

Almost everything is Boinga here

We boinga all boinga long

Boinga!

Almost everything is boinga here

So we boinga this boinga song

Boinga!

Boinga this boinga

Boinga!

Boinga this boinga

Boinga!

This boinga song

Boinga!

Boinga this boinga

Boinga!

Boinga this boinga!
