

Consider Yourself

The Backyardigans

Consider yourself at home
Consider yourself part of the family
I've taken to you so strong
It's clear we're gonna get along

Consider yourself well in
Consider yourself part of the furniture
There isn't a lot to spare
Who cares? Whatever we've got to share

If it's your chance to be, we should see some harder days
Empty lot of days, why grouse?
Always a chance we'll meet somebody to put the bill
Then the drinks are on the house

Consider yourself our mate
We don't want to have no fuss
For, after some consideration, we can state
Consider yourself one of us

Nobody tries to be la-dee-dah and uppity
There's a cup of tea for you all
Only it's wise to be handy with a rolling pin
When the Landlord comes to call

Consider yourself our mate
We don't want to have no fuss
For, after some consideration, we can state
Consider yourself one of us
Consider yourself one of us
Consider yourself one of us
Consider yourself one of us
