

Do It Myself

The Backyardigans

Do it myself, I can do it myself. That's the only way to get the job done right! Do it myself, I can do it myself. Stay in your chair and stay out of my sight!

I started out badly, but I'll know I'll improve!

You'll only improve if you sit and don't move! You don't know the ropes, your sea legs aren't great, and as a first mate, you're pretty second-rate!

I was only trying to help, Sinbad

I don't need help! I can do it myself!

Can I help with?

No!

What if I tie them?

No!

I'll try to fix them

No! You'll only break my flow

I can probably swab the...

No!

Or help raise the...

No! It's a complicated boat. It must be handled by a pro. Do it myself, I can do it myself. Two hands on deck and both hands are mine. Do it myself, I can do it myself. I'm a solitary sailor on the foamy brine. Do it myself, I can do it myself. It's a one man ship and a one man show. Do it myself, I can do it myself. The rainbow is calling and it's time to go!
