Dragon Mountain

The Backyardigans

We're marching to the top

To the top, to the top...

Yes, we're marching to the top of Dragon Mountain

Up, up, up, up!

There is no place to hide

Cause a dragon lurks inside

At the top of Dragon Mountain! At the top of Dragon Mountain!

Do you think that the dragon is scary?

Yes, I do!

Do you think that the dragon is hairy?

No, do you?

Do you think that the dragon plays games?

I hope so!

Do you think that it shoots out flames?

Please say no!

We're marching to the top

To the top, to the top...

Yes, we're marching to the top of Dragon Mountain

Up, up, up, up!

There is no place to hide

Cause a dragon lurks inside

At the top of Dragon Mountain! At the top of Dragon Mountain!

Do you think that the dragon will greet us?

That'd be neat!

Or perhaps he will try to eat us?

You say eat?

Perhaps we won't fit in his belly?

Then I'd cheer!

Don't dragons likes goblins and jelly?

I'm outta here...

We're marching to the top

To the top, to the top...

Yes, we're marching to the top of Dragon Mountain

Up, up, up, up!

There is no place to hide

Cause a dragon lurks inside

At the top of Dragon Mountain! At the top of Dragon Mountain!

At the top of Dragon Mountain! At the top of Dragon Mountain!
At the top of Dragon Mountain! At the top of Dragon Mountain...
