

Drumming Song

The Backyardigans

Boom dig-a-boom, dig-a-
boom, boom, boom! That drum sound shakes my big rock room!

Bop, bop-a-dop, bop-a-
dop, dum, dum! I make my music on my caveman drum!

Drumming, drumming, drumming, cave company is coming!

Drumming, drumming, drumming, cave company is coming! Cave comp
any is coming!

Bang, bang-a-dang, bang-a-
dang, bop, bop, Here's my song, and my song won't stop!

Digga-boom-dig, dig-a-boom, dig, dig! Pounding beat and the bea
t is big! Crash, bash-a-crash, bash-a-
crash, wham, wham! Nothing can stop our cave drum jam!

Knock, whack-a-whack, whack-a-
whack, knock, knock! We will wake up the whole cave block!

Drumming, drumming, drumming, cave company is coming! Drumming,
drumming, drumming, cave company is coming! Cave company is co
ming! Cave company is coming! Cave company is coming!
