

# Hurry Home

The Backyardigans

Hurry home, hurry home  
Time to get scurrying and hurry home  
This trusty assistant has traveled far in distance  
But now we got to hurry home!

I traveled all the way to the mummy's tomb  
And I was so scared, my heart was going boom  
But you weren't so bad  
Well, thanks I'm glad  
Now, c'mon, we got to hurry home!  
Next it was the werewolf that we had to see  
You walked through the forest like a grabbing tree  
I thought she'd be scary  
But she was only hairy  
C'mon, we got to hurry home!

Hurry home, hurry home  
Time to get scurrying and hurry home  
This trusty assistant has traveled far in distance  
But now we got to hurry home!  
... We'll get the story at the laboratory  
That's why we got to hurry home!

We had to make a stop at the vampire tower  
I made the stairs fall  
It took like an hour  
We were scared of each other  
Yes, we were  
Oh, brother!  
But now we got to hurry home!

Hurry home, hurry home  
Time to get scurrying and hurry home  
This trusty assistant has traveled far in distance  
But now we got to hurry home!  
... Our monstery faces of in a bunch of places  
But now we got to hurry home!  
But now we got to hurry home!  
But now we got to hurry home!
