

I Feel Good

The Backyardigans

I used to feel so dark inside
So evil, bad and gloomy
But now the sun is coming out
And joy is rushing through me
I feel good

He feels good!

Oh, so good

Oh, so good

I used to be bad
But now I am glad to be good

Oh, so good!

I used to be a bad guy
Always running from the cops

So bad!

But now I am a good bot
My hope, it never stops
So much goodness in my heart
I don't even know where to start
I wanna click my heels, jump for joy
Run around and play like a human boy
I feel happy and nice
Groovy and funny

I wanna help an old lady across the street
I wanna volunteer to pick up litter
Help people out 'cause I'm not better
I wanna make new friends
Such a quilt

Teach at a school that I have built

I feel good

He feels good

Oh, so good

Oh, so good

I used to be bad
But now I am glad to be good

Oh, so good!

He feels good

He feels good

Oh, so good

Oh, so good

I used to be bad
But now I am glad to be good

Oh... so... good!
