

I'm A Mountie

The Backyardigans

I'm a Mountie and I'm marching through the snow
I'm a Mountie to the Yukon I must go
I'm a Mountie of perfection, if something needs protection
Then there's no better protector you could know!
Mountie on duty, Mountie on duty, I'm a Mountie and I'm marchin
g through the snow

We are mounties and we're marching through the snow

We are mounties to the Yukon we must go

We are mounties and we're good sports and we like defending sno
w forts

We are mounties and we're marching through the snow!

Yes, we're mounties in our Mountie hats and suits

You can tell by our Mountie salutes

Guarding all that needs a watching, for a Mountie there's no st
opping

We are mounties marching in our Mountie boots!
