Lady In Pink

The Backyardigans

Who's the girl who's got bad on her mind? Who thinks evil thoughts wi
th a smile and a wink?
Who's the girl with a plan to mess up mankind?

Me! I'm the Lady in Pink!

Lady in Pink! Lady in Pink!

She's bad, she's evil...

And I'm worse than you think! Me! I'm the Lady in Pink!

Who's the girl who never plays nice and wishes that all rubber duckie
s would sink?
Who interrupts people and never thinks twice?

Me! I'm the Lady in Pink!

Lady in Pink! Lady in Pink!

She does terrible things...

Even worse than you think! I'm the Lady in Pink!

She's selfish and cruel

And I totally rule

She'll stop at nothing to win, she cheats and she lies...

I don't even like pie!

When there's bad to be done, count her in!

Those containers, you better forget
They'll be mine before you can blink

Wherever they are, you can bet who'll get them

Me! I'm the Lady in... Pink!

Lady in Pink! Lady in Pink!

Is she totally evil?

Now what do you think?

Lady in Pink! Lady in Pink!

Me, me, me, me, me! I'm the Lady in Pink!
