

## Laser Limbo Tango (Limbo Rock)

The Backyardigans

Secret Agent Limbo Team is gonna beat the laser beam! We will line up single file, and show off our limbo style!

It's Uniqua's turn to go! She will limbo good and low! Will she make it? Yes, she will! She's got laser limbo skill!

Limbo low, now... Limbo low, now! How low can you go? Woo-hoo!

Excellent limboing, Agent Uniqua!

Yeah!

Thanks! Come, Tyrone! You know what to do!

Here I come!

Now, Tyrone is going to try! He's a limbo kinda guy! Keep those antlers by the floor as you limbo through the door! Bend down low and keep it loose, secret agent limbo moose! He will beat the laser light! He can do the limbo right!

Limbo low, now! Limbo low, now! How low can you go? All right!

Excellent limboing, Agent Tyrone!

It was tricky!

Now, it's my turn! Here I come!

Agent Pablo's going now! Come on, Pablo, show us how! Bend your knees, extend your arms, and don't set off those alarms! Limbo low and limbo fast! Save the limbo best for last! Now, we all have passed the test! We're the laser limbo best!

Limbo low, now! Limbo low, now! How low can you go? All right!
