

Like A Robot

The Backyardigans

Hey Rosco, Rosco, show us how we've gotta look robotic and it's
gotta be now
Yeah Rosco, Rosco, what do we do, to learn those robot moves li
ke you?

We wanna walk that robot walk, like a robot
Talk that robot talk, like a robot
Gonna move and stop and stand, like a robot
Shake your robot hand, like a robot
Learn to take off and land like a robot

And walk that robot walk
Yeah walk that robot walk

That robot feel, that robot style
That nice mechanical robot smile
Plus we gotta sound like robots too-- true!

But that's not hard to do-- there's one main think that robots
say:

We say "all systems AOK"
All systems AOK
All systems AOK
All systems AOK
All systems AO-
woah! This floor is harder than it looks you know

We gotta walk that robot walk, like a robot
Talk that robot talk, like a robot
Gotta stand up tall and straight, like a robot
Pass the professor's plate, like a robot
Gotta not fall off my skates like a robot

And walk that robot walk (Yeah walk)
Yeah walk that robot walk
