

# Oh, My Sherman

**The Backyardigans**

Oh we're floating down the river, just a cowboy polka band!

We have found ourselves a drummer who will give our band a hand

Gotta make it to a party, just in time to yell surprise

Then we'll play some polka music for the Worman gals and guys!

Oh my Sherman, oh my Worman, don't you worry, don't you fret. We will make it to the party, we will get there, yeah, you bet!

Oh we're floating down the river, down to Cheyenne, that's the town

We're the Ramblin' Polka Cowboys, gonna rock that polka down

Sundown's comin' pretty soon now, but we'll get there just the same

We will please those polka Wormans and achieve great polka fame

Oh my Sherman, oh my Worman, don't you worry, don't you fret. Sure the party starts in minutes, but we'll get there, yeah, you bet!
