

Please and Thank You

The Backyardigans

Please and thank you, that's the secret of the Nile

Please and thank you gets you practically anything you want with a smile

Even princesses should try to be polite, please and thank you they're just right, so don't be rude

Please and thank you are not things I usually say
But since you insist I'll start to say them much more often as of today
Who exactly should I say these phrases to?

How 'bout those three guys who do the work for you?

Thank you guys for knowing where the special gifts were hid!

You're welcome!

And thank you guys for helping me find them like you did!

You're welcome!

And thank you guys for doing all that other servant work!

You're welcome!

And please forgive me if I acted kinda like a jerk

That's O.K

Please and thank you that's the secret of the Nile, please and thank you get you

Practically anything you want with a smile

Egypt's nice when we all try to be polite
Please and thank you are just right, you're welcome, too!
