Queens Are Never Wrong

The Backyardigans

I'm Queen Tasha and I rule the whole backyard
I rule everything, it's really not that hard
I'm in charge of it all and I like it that way
'Cause everyone has to do what I say!
I'm Queen Tasha and I rule the whole backyard

They say, "Do this."
You say, "Yes, your majesty."
"Do that."
They say, "Yes, your majesty."
"Give me this."
They say, "Yes, your majesty."
"Bring me that."
They say, "Yes, your majesty."

That's why I sing this song
'Cause queens are never wrong
Yeah, that's why I sing this song
'Cause queens are never wrong
Da-da-da-daaaa!
