Questing, Questing

The Backyardigans

We're desert questers
Quick and smart
When it comes to racing
We've got the art
As long as we follow
Our ancient map
We'll reach Stonestep Hill
Like a zap!
Questing, questing, questing
Never resting
Questing, questing, questing
Racing to the rock

We're desert questers
With no fears
But we do have sand
Behind our ears
We're jungle questers
Our courage shows
And so does the mud
Between our toes
To the rock!
To the rock!
Questing, questing, questing
Never resting
Questing, questing, questing
Racing to the rock!
Questing, questing, questing
Never resting
Questing, questing, questing
Racing to the rock

We're jungle questers
Fast and swift
When it comes to racing
We have a gift
As long as we follow
Our ancient map
We'll reach Stonestep Hill
In a snap!
Questing, questing, questing
Never resting
Questing, questing, questing
Racing to the rock
