

Riding The Range

The Backyardigans

Riding the range, riding the range
Let's go riding the range, yahoo!
Riding the range, riding the range
Let's go riding the range, yahoo!

All the way to Texas
Where the hoedown folks expect us

Get that saddle on your pony
Fill your pack with bologna
We've got a little trip to a range

Yahoo, let's go!
Riding the range, riding the range
Let's go riding the range, yahoo!

Riding the range, riding the range
Let's go riding the range, yahoo!
Riding the range, riding the range
Let's go riding the range, yahoo!

Let's start tracking down that bandit
Good folks everywhere demand it

Riding the range, riding the range
Let's go riding the range, yahoo!

Into the wild, wild west
Let's go riding the range!
In a snappy, buckskin vest
Let's go riding the range!
That bandit better watch his tail
'Cause we picked up his dusty trail!
His luck is about to change, yahoo!
'Cause we're out riding
And there's no hiding from us
Out riding the range, yahoo!
