

Row Your Boat

The Backyardigans

Row your boat, row your boat, row your boat, boat, boat
Row your boat, row your boat, row your boat, boat, boat

Row, row, row your boat, look how fast I ride
Gonna be the first to paddle toooooooo... the other side!

Row, row row your boat, I'll go even faster
I'm so quick and smooth and slick, just caaaaaaall... me kayak
master!

Row your boat, row your boat, row your boat, row your boat

Can't afford to make a mistake, rowing on this freezing lake
'Cause if I make a little mistake, I'll hit the ice, my boat will
break

So I row, row, row real slow, trying to keep afloat
Rowing kinda wobbly 'cause my aaaaaaantlers rock the boat

Race your boat, race your boat, race your boat, boat, boat
Race your boat, race your boat, race your boat, boat, boat, race!
