

The Backyardigans Theme Song

The Backyardigans

Hi, I'm Pablo

My name's Tyrone

I'm Uniqua

I'm Tasha

And my name's Austin

And we're...

Your backyard friends, the Backyardigans
Together in the backyard again

In the place where we belong

Where we'll prob'ly sing a song

And we'll maybe dance along

We've got the whole wide world in our yard to explore
We always find things we've never seen before
That's why every day we're back for more
With your friends, the Backyardigans
