

To You I Belong

The Backyardigans

The rain fell down, you were there
I cried for you when I held my hand
The storm a-rushing in, the wind was howling
I called for you, you were there

Whenever dark turns to night
And all the dreams sing this song
And in the daylight forever
To you I belong

Beside the sea when the waves broke
I drew a heart for you in the sand
In fields where streams turn to rivers
I ran to you, you were there

Whenever dark turns to night
And all the dreams sing this song
And in the daylight forever
To you I belong

Oh, yeah
All right

In fields where streams turn to rivers
I ran to you, you were there

Whenever the dark turns to night
And all the dreams sing this song
In the daylight forever
To you I...

Whenever the dark turns to night
And all the dreams sing this song
In the daylight forever
To you I...

Whenever the dark turns to night
And all the dreams sing this song
In the daylight forever
To you I...

Whenever the dark turns to night
And all the dreams sing this song
In the daylight forever
To you I...

Whenever the dark turns to night
And all the dreams sing this song
In the daylight forever
To you I belong
To you I belong
To you I belong
Oh, yeah
