

Tree To Tree

The Backyardigans

Let's go zipping, guys, let's go through the trees of Borneo!

Whee! Whee!

Zip, zip, zip from tree to tree!

Whee! Whee!

To see if we can find that tea!

How about these? How about these? Think these might be the golden leaves?

Golden leaves don't look like this, these are kind of silverish!

Well, let's keep looking and let's go through the trees of Borneo!

Whee! Whee!

Zip, zip, zip from tree to tree!

Whee! Whee!

To see if we can find that tea!

Are these golden?

No, my good fellow, I would call them just plain yellow! They don't have a golden shine

Oh well, onward, grab a vine!

Let's keep looking, guys, let's go through the trees of Borneo!

Whee! Whee!

Zip, zip, zip from tree to tree!

Whee! Whee!

To see if we can find that tea!

There's some more leaves, what do you think? They'd be perfect for our drink!

I don't see a golden sheen, they're just plain old brownish green!

We're zipping fast, we're searching slow!

Through the leaves of Borneo!
