

# Trudge, Trudge, Trudge

The Backyardigans

This mound of sand is out of hand  
We gotta trudge, trudge, trudge!

Trudge, trudge, trudge!  
We can't budge, budge, budge!  
This mound of sand is out of hand  
We gotta trudge, trudge, trudge!

Now, I like sandy beaches  
I like sandcastles too  
But with all this sand in front of me  
I don't know what to do

Trudge, trudge, trudge!  
We can't budge, budge, budge!  
This mound of sand is out of hand  
We gotta trudge, trudge, trudge!

Trudge, trudge, trudge, trudge, trudge, trudge  
Trudge, trudge, trudge! We can't budge, budge, budge!  
Being stuck in this sandy muck is like being stuck in fudge!

Now I like sand for playing in a big backyard sandbox  
But with every step we seem to get more sand in our shoes and socks

Trudge, trudge, trudge!  
We can't budge, budge, budge!  
This mound of sand is out of hand  
We gotta trudge, trudge, trudge!

... Stuck like a duck in a pond of muck...
