

We Love A Luau

The Backyardigans

We're brothers...

We're brothers...

And we love a luau! We love...

We love a...

We love a lu-

We love a luau!

Where we wear leis

And party for days

With beaming sun rays

So have a seat

Let's meet and eat

And sit and sing

And talk and walk

Suntan and fan

And prance and dance a hula

There's so much to do-a at a luau!

We're brothers...

We're brothers...

And we love a luau!

We love...

We love a...

We love a lu-

We love a luau

Ba ba da ba da ba da ba da ba da ba da ba da daaaaaaa!

Ba ba da ba da ba da ba da ba da ba da da daaaaaaa!

We're brothers...

We're brothers...

And we love a luau! We love...

We love a...

We love a lu-

We love a luau!
