

We've Got It Goin' On

The Backyardigans

We've been waiting so long
Just can't hold it back no more
Creepin' up and down now
It's time for me to let it go, ah!

If you really wanna see
What we can do for you, ah
Send the crazy wildin' static
Sing it

Jam on 'cause Backstreet's got it
Come on now everybody
We've got it goin' on for years
Jam on 'cause Backstreet's got it
Come on now everybody
We've got it goin' on for years

Ah-ah, hey
We've got it goin' on for years
Oh baby, yeah
We've got it goin' on for years

Well I'm creepin' up on your left
Straight up funky when I get with ya
Keep it ruthless when I get wet
Keep the party packed in my corner
Tough like granite to keep the crowd hype
Get up on this just to get right
What you want it what you gonna get
Backstreet's got the special effects

If you really wanna see
What we can do for you, ah
Send the crazy wildin' static
Sing it

Jam on 'cause Backstreet's got it
Come on now, everybody
We've got it goin' on for years
Jam on 'cause Backstreet's got it
Come on now, everybody
We've got it goin' on for years

Ah-ah, hey
We've got it goin' on for years
(We've got it goin' on)
Yeah-hey-hey-yeah
We've got it goin' on for years

We've been waiting so long
Just can't hold in back no more
(Just can't hold it back no more)
Creepin' up and down now
It's time for me to let it go
Time for me to let it go!
(Jam on, jam on)

Everybody groove to the music
Everybody jam
Everybody groove to the music
Everybody jam

Jam on 'cause Backstreet's got it
Come on now, everybody
(Everybody groove to the music)
We've got it goin' on for years
(Everybody jam)
Jam on 'cause Backstreet's got it
Come on now, everybody
(Everybody groove to the music)
We've got it goin' on for years
(Everybody jam)

We've got it goin' on
