

# Break Me

The Band CAMINO

I make it too easy  
When you pretend that you need me I'm right there  
I should be leavin'  
But those green eyes I swear  
I shouldn't be drinkin'  
And I suck at bein' alone with you  
There's so many reasons  
That I shouldn't want to but I do

I hate the way you make me, just  
Wish I could make you hate me  
I can't stop though it might break me, still  
Can't help the way you make me feel

You call me up crying  
Why does that make me want you more?  
I know that you're lying  
But here I am at your door  
You take a piece of me with you and make me feel stupid  
You tell me that you want me back and I let you do it  
I let you do it

I hate the way you make me, just  
Wish I could make you hate me, stop  
'Cause I can't though it might break me, still  
Can't help the way you make me feel  
The way you make me feel  
The way you make me feel  
The way you make me feel

(The way you make me, it just might break me)

I hate the way you make me, just  
Wish I could make you hate me  
I can't stop though it might break me  
Break me, break me, break me

I hate the way you make me, just  
Wish I could make you hate me, stop  
'Cause I can't though it might break me, still  
Can't help the way

I hate the way you make me, just  
Wish I could make you hate me, stop  
'Cause I can't though it might break me, still  
Can't help the way you make me feel

(Broke the string, awesome)
