

Up On The Hill Where They Do The Boogie

The Band of Heathens

Down in the city it's a pity what's there
All the kids in the gutter runnin' really bare
How much money do I have to get
To get me set where the jet set gets

Up on the hill where they do the boogie
Dodododo the boogie
I wonder what they're doin' when they dodo the boogie
And I wonder what I'm doin' here

Down in the city if you ain't dead
You better watch that man, he gonna bust your head
Throw you over and leave you alone
He's a twenty minutes late, he's gotta be back home

Up on the hill where they do the boogie
Dodododo the boogie
I wonder what they're doin' when they dodo the boogie
And I wonder what I'm doin' here

The rat's in the alley and a roach on the floor
A businessman huntin' for a two-bit whore
I thought I heard some housewife say
I gotta go up the hill for the PTA

Up on the hill where they do the boogie
Dodododo the boogie
I wonder what they're doin' when they dodo the boogie
And I wonder what I'm doin' here

A some folks say that a hippie won't steal
But I caught three in my corn field
One had a flag and the other had a bomb
And the third ol' boy was a-gettin' on home

Up on the hill where they do the boogie
Dodododo the boogie
I wonder what they're doin' when they dodo the boogie
And I wonder what I'm doin' here

Now all I know about is a-what I read
A-see it comin' at me on the TV screen
Every time they boogie well it gives me a thrill
But they always seem to do it way up on the hill

Up on the hill where they do the boogie
Dodododo the boogie
I wonder what they're doin' when they dodo the boogie
And I wonder what I'm doin' here
