

# Ain't That a Lot of Love

The Band

I know the desert could hold all the love  
That I feel in my heart for you  
Just like the ocean that started to roll  
My love, it could be comin' to you

Ain't that a lot of love for one heart to hold  
Ain't that a lot of love for one heart to hold

If the cook in the kitchen had a touch as hot as yours  
It wouldn't need a fire  
I can't think of a word that describes you better  
Than indescribable

Ain't that a lot of love for one heart to hold  
Ain't that a lot of love for one heart to hold

If the bees only knew how sweet you were, darling  
They would shut up their honey comb  
If the birds could hear how sweet your voice is  
They'd pack up and fly away

Ain't that a lot of love for one heart to hold  
Ain't that a lot of love for one heart to hold
