

# Propositions

The Bar-Kays

Ooh, ooh

Propositions, propositions  
What can do for you, what can you do for me  
Propositions, propositions  
What can do for you, what can you do for me

Propositions, propositions  
What can do for you, what can you do for me  
Propositions, propositions  
What can do for you, what can you do for me

Give me, Come here, Want me, Live here  
Everybody's got a way to take you to Hollywood  
Try this, try that, let me show you where it's at  
This will make you feel real good

It's all a game they play so well  
You battle lines, that's what they said  
I can do this and that for you  
Everybody's got an offer that you can't refuse

Propositions, propositions  
What can do for you, what can you do for me  
Propositions, propositions  
What can do for you, what can you do for me

Propositions, propositions  
What can do for you, what can you do for me  
Propositions, propositions  
What can do for you, what can you do for me

Back stabbin', money grabbin', everybody's got to have it  
That's what it's all about  
Let me show you that I'll grow you even that I don't know you  
Still I wanna turn you out

Free wheelin', fast dealin', just another way of stealin'  
Everything's got a price  
Everybody tells you that what they got to sell you  
Is what you need to get your head right

It's all a game they play so well  
You battle lines, that's what they said  
I can do this and that for you  
Everybody's got an offer that you can't refuse

Propositions, propositions  
What can do for you, what can you do for me  
Propositions, propositions  
What can do for you, what can you do for me

Propositions, propositions  
What can do for you, what can you do for me  
Propositions, propositions  
What can do for you, what can you do for me

Ooh, ooh

Propositions, propositions  
What can do for you, what can you do for me  
Propositions, propositions  
What can do for you, what can you do for me

Propositions, propositions  
What can do for you, what can you do for me  
Propositions, propositions  
What can do for you, what can you do for me
