

# Shake Your Rump To The Funk

The Bar-Kays

Don't stop dancing to the music  
Just let the music make you high  
We've got rhythm, you can use it  
Don't let this feeling pass you by, by, by

Don't fight the feeling in your soul  
Just boogie on back and  
Let the good times roll, yeah  
We're here to move your soul

Just get on up, yeah  
Everybody party, come on  
Y'all, let's get started, yeah, yeah

Shake your rump to the funk now  
Shake your rump to the funk now  
Shake your rump to the funk now  
Shake your rump to the funk now  
Well, well, well, well

Everybody, keep on moving  
Just get on up and do your stuff, yeah, yeah  
Everybody, keep on grooving  
Moving and grooving is what they all are doing

Come on, everybody, yeah, yeah  
Feel this stuff, yeah  
We just wanna groove you  
Till you get enough, yeah

We want to play for you  
Our funky sound, yeah  
Move it to the music and  
Get down, down, down

Shake your rump to the funk now  
Shake your rump to the funk now  
Shake your rump to the funk now  
Shake your rump to the funk now

Well, well, well  
Well, well, well

Shake your rump to the funk, come on and  
Come on and, come on and

Shake your rump to the funk  
Shake your rump to the funk now  
Shake your rump to the funk now  
Shake your rump to the funk now

Shake your rump to the funk now  
Shake your rump to the funk now  
Shake your rump to the funk now  
Shake your rump to the funk now
