

Candy Shop

The Baseballs

I'll take you to the candy shop
I'll let you lick the lollypop
Go 'head girl, don't you stop
Keep going 'til you hit the spot (woah)
I'll take you to the candy shop
Girl one taste of what I got
I'll have you spending all you got
Keep going 'til you hit the spot (woah)

You can have it your way, how do you want it
Gon' back that thing up or should i push up on it
Temperature rising to the next level
Dance floor packed, hot as a teakettle
I'll break it down for you now, baby it's simple
If you be a nympho, I'll be a nympho
In the hotel or in the back of the rental
On the beach or in the park, whatever you into
Got the magic stick, I'm the love doctor
Have your friends teasin you 'bout how sprung I gotcha
Wanna show me how you work it baby, alright
Get on top bouncing round like a low rider
I'm a seasons vet when it come to this shit
Work up a sweat you can play with the stick
I'm tryin to explain baby the best way I can
I melt in your mouth girl, not in your hands (ha ha

I'll take you to the candy shop
I'll let you lick the lollypop

Give it to me baby, nice and slow
Climb on top, ride like you in the rodeo
You ain't never heard a sound like this before
Cause I ain't never put it down like this
As soon as I come through the door she's pullin on my zipper
It's like a race who can get undressed quicker
How ironic how erotic it is to watch em in thongs
Had me thinking 'bout that ass after I'm gone
I touch the right spot at the right time
Lights on or lights off, she like it from behind
So seductive, you should see the way she wind
Her hips in slow-mo on the floor when we grind

I'll take you to the candy shop
I'll let you lick the lollypop
Go 'head girl, don't you stop
Keep going 'til you hit the spot (woah)
I'll take you to the candy shop
Girl one taste of what I got
I'll have you spending all you got
Keep going 'til you hit the spot (woah)

Girl what we do (what we do)
And where we do (and where we do)
The things we do (things we do)
Are just between me and you (oh yeah)
Girl what we do (what we do)
And where we do (and where we do)
The things we do (things we do)
Are just between me and you (oh yeah)

Candy, candy, shop, shop
Lolly-, lollypop, -pop
Don't you, don't you stop, stop
I'll take you to the candy shop
Girl one taste of what I got
