Ghetto Superstar

The Baseballs

Ghetto superstar, that is what you are
Comin from afar, reachin for the stars
Run away with me, to another place
We can rely on each other, uh-huh
From one corner, to another, uh-huh

Some got, hopes and dreams, we got, ways and means
The surpreme dream team, always up with the schemes
From hubcaps to sellin raps, name your theme
My rise to the top, floatin on this cream
Who the hell wanna stop me, I hated those who doubt me

A million ReFugees with unlimited warranties
Black Ceasar, dating top skeezers
Diplomatic legalese, no time for a Visa
They just begun, I'ma shoot them one by one
Got five sides to me, somethin like a pentagon
Strike with the forces of King Solomon
Lettin bygones be bygones, and so on, and so on

Ghetto superstar, that is what you are
Comin from afar, reachin for the stars
Run away with me, to another place
We can rely on each other, uh-huh
From one corner, to another, uh-huh

Now every dog got his day, needless to say
When the chief away that's when them cats want to play
I told you, mess around you fools like Cassius Clay
Stretch my heater make you do a pas de bourree
Kick your balls like Pele, pick em doin ballet
Peak like Dante, broader than Broadway
Get applause like a matador, cry yellin !Ole!
Who the hell wanna save me, from B.K.

Ghetto superstar, that is what you are
Comin from afar, reachin for the stars
Run away with me, to another place
We can rely on each other, uh-huh
From one corner, to another, uh-huh
