

Ghetto superstar, that is what you are  
Comin from afar, reachin for the stars  
Run away with me, to another place  
We can rely on each other, uh-huh  
From one corner, to another, uh-huh

Some got, hopes and dreams, we got, ways and means  
The surpreme dream team, always up with the schemes  
From hubcaps to sellin raps, name your theme  
My rise to the top, floatin on this cream  
Who the hell wanna stop me, I hated those who doubt me

A million ReFugees with unlimited warranties  
Black Ceasar, dating top skeezers  
Diplomatic legalese, no time for a Visa  
They just begun, I'ma shoot them one by one  
Got five sides to me, somethin like a pentagon  
Strike with the forces of King Solomon  
Lettin bygones be bygones, and so on, and so on

Ghetto superstar, that is what you are  
Comin from afar, reachin for the stars  
Run away with me, to another place  
We can rely on each other, uh-huh  
From one corner, to another, uh-huh

Now every dog got his day, needless to say  
When the chief away that's when them cats want to play  
I told you, mess around you fools like Cassius Clay  
Stretch my heater make you do a pas de bourree  
Kick your balls like Pele, pick em doin ballet  
Peak like Dante, broader than Broadway  
Get applause like a matador, cry yellin !Ole!  
Who the hell wanna save me, from B.K.

Ghetto superstar, that is what you are  
Comin from afar, reachin for the stars  
Run away with me, to another place  
We can rely on each other, uh-huh  
From one corner, to another, uh-huh
