## The Baseballs

Do you wanna hear a story about city on the Southbeach?  
Bringing the heat up in you.  
It's Miami!  
Wuhu, can you all feel that?  
Come on, hit it!

(Go, go go going to Miami) Welcome to Miami!  
(Go, go go going to Miami) Welcome to Miami!  
(Go, go go going to Miami) Party in the city where the heat is on  
All night, on the beach till the break of dawn  
(Go, go go going to Miami) Buenvenidos a Miami!

Here i am in the place where I come let go  
Miami is the base and the sunset glow.  
Everyday like a mardi gras, everbody party all day  
No work- all play, ok  
So we sip a little something, lay the rest to spill.  
And The Baseballs drink runnin' up a high bill  
Can after can, when we dress to jam  
Every time the ladies pass they're like: "Hi Sam"

Can you feel us, all ages and races,  
Real sweet faces  
Every different nation, Spanish, Hatian, Indian Jamaican,  
Black, White, Cuban or Asian

We only come for 2 days of playing  
But every time we come we wind up staying  
In this the type of town we could spend the days  
Miami is the city keeps the roof blazin'  
Welcome to Miami!

Party in the city where the heat is on.  
All night, on the beach till the break of dawn  
Welcome to Miami! (Go, go, going to Miami)  
Bouncing in the club where the heat is on  
All night, on the beach till the break of dawn.  
Going to Miami (Going to Miami)

Yeah, welcome to Miami! Welcome to Miami!

I heard the rainstorms ain't nothin' to mess with  
I can't feel a drip on the strip, it's a trip.  
Ladies half-dressed but fully equipped,  
And they're screamin' out: "Love the 50s!"  
So I'm thinkin' I'ma scoot me something hot .  
In this salsa merengue melting pot  
Hottest club in the city and it's right on the beach.  
Tempature, get ya it's about to reach  
Five-hundred degrees  
In the Carribean seas with the hot mommies  
Screami': "Hi Basti!"  
Every time I come to town, they be spotting me,  
In the drop Bentley, ain't no stopping me.  
So, cash in your door - To this fashion show.  
Pound for pound anywhere you go.

Ain't no city in the world like this  
If you ask me why I gotta plead the fifth

Buenvenidos a Miami!
