

Sun on a Black Sky

The Baseballs

Baby let me say
What you are to me
You're my penny lane
And the sweetest pain
Like heaven and hell
I'm caught in your spell
My lady love, love, love

Baby let me say
What you do to me
Get my head to fly
Like an aero plane
Make me twist and shout
Singin' in the rain
My lady, love, love, love, love

Girl you shine
Yeah you shine
Like sun on a black sky
Girl you burnin' my heart blind
My lady love, love, love
Girl you shine
Yeah you shine
Like a sun on a black sky
You got me burning like a bonfire
My lady love, love, love, love

Baby you and me
We are meant to be
Living wild and free
In a perfect dream
You're my tnt
Yeah you're killing me
My lady love, love, love
My lady love, love, love

Girl you shine
Yeah you shine
Like sun on a black sky
Girl you burnin' my heart blind
My lady love, love, love
Girl you shine
Yeah you shine
Like a sun on a black sky
You got me burning like a bonfire
My lady love, love, love, love

You drive me crazy, wanna scream out loud
And I know I never really get you figured out
Such a dangerous combination of pleasure and pain
You sure know how to drive a man insane

Girl you shine
Yeah you shine
Like a sun on a black sky
Girl you burnin' my heart blind
My lady love, love, love, love

Girl you shine
Yeah you shine
Like a sun on a black sky
Girl you burnin' my heart blind
My lady love, love, love, love

Girl you shine
Yeah you shine
Like a sun on a black sky
You got me burning like a bonfire
My lady love, love, love, love

Girl you shine
Yeah you shine
Like a sun on a black sky
You got me burning like a bonfire
My lady love, love, love, love

My lady love, love, love, love
