

## The Sign

## The Baseballs

I got a new life  
You would hardly recognize me, I'm so glad  
How can a person like me care for you  
Why do I bother, when you're not the one for me  
Oohohohohoo, is enough, enough

I saw the sign and it opened up my eyes, I saw the sign  
Life is demanding without understanding  
I saw the sign and it opened up my eyes, I saw the sign  
No one's gonna drag you up  
To get into the light where you belong  
But where do you belong

Under the pale moon  
For so many years I've wondered who you are  
How could a person like you bring me joy  
Under the pale moon, where I see a lot of stars  
Oohohohohoo, is enough, enough

I saw the sign and it opened up my eyes, I saw the sign  
Life is demanding without understanding  
I saw the sign and it opened up my eyes, I saw the sign  
No one's gonna drag you up  
To get into the light where you belong  
Where do you belong

Do you belong Go, go, go, go, go cat go!

I saw the sign and it opened up my mind  
And I am happy now, living without you  
I've left you, oh, oh, oho  
I saw the sign and it opened up my eyes  
I saw the sign  
No one's gonna drag you up  
To get into the light  
Where do you belong

I saw the sign  
Oh, I saw the sign  
I saw the sign  
And it opened up my eyes  
I saw the sign
