

Wannabe

The Baseballs

Yo, I'll tell you what I want, what I really, really want
I'll tell you what I want, what I really, really want
I wanna, I wanna, I wanna really, really, really wanna zigazig
oh

If you want my future, forget my past - If you wanna get with me
better make it fast - Now don't go wasting my precious time
Get your act together we could be just fine

Yo, I'll tell you what I want, what I really, really want - I wanna, I wanna
I wanna, I wanna, I wanna really, really, really wanna zigazig
oh

If you wanna be my lover - You gotta get with my friends
Make it last forever, friendship never ends
If you wanna be my lover, you have got to give
Taking is too easy, but that's the way it

Oh, what do you think about that - Now you know how I feel
Say, you can handle my love, are you for real
I won't be hasty, I'll give you a try
If you really bug me then I'll say goodbye

Well, well, well, I'll tell you what I want, what I really, really want
I wanna, I wanna, I wanna...
If you wanna be my lover...

So, here's a story from A to Z
You wanna get with me, you gotta listen carefully
We got M in the place who likes it in your face
You got G like MC who likes it on a easy V
Doesn't come for free, she's a lady - And as for me, ha you'll see

Slam your body down and wind it all around (4x)
Wind it all around, wind it all around - Wind it all around, 'round, 'round

If you wanna be my lover
