

When Love Takes Over

The Baseballs

It's complicated, it always is, that's just the way it goes
Feels like I've waited so long for this, I wonder if it shows?

Head under water now I can breath, it never felt so good.
Cause I can feel it coming over me
We can do it all

When love takes over, yeah
You know you can't deny
When love takes over, yeah
Cause something's here tonight

Give me a reason I gotta know, do you feel it too ?
Can't you see me here on overload, and this time I blame you...
Looking out for you to hold my hand, it feels like I could fall
Now love me right like, yes I know you can, we could loose it a
ll

When love takes over, yeah
You know you can't deny
When love takes over, yeah
Cause something's here tonight

When love takes over, yeah
You know you can't deny
When love takes over, yeah
Cause something's here tonight

When love takes over, yeah
You know you can't deny
When love takes over, yeah
Cause something's here tonight
