

## It's Over

### The Basics

Do I have to tell you again?  
Don't take my word for it  
Just because I might say 'love'  
Do I have to see you again?  
The pain's too much for me  
It may just break your heart in two  
Don't make me say to you  
'Let me go'  
We need a break from each other  
It's best for you, it's best for them  
Do I have to tell you again?  
Don't make me break your heart  
The damage is done and now it's over  
Do I have to see you again?  
The pain's too much for me  
Okay, it was fun, but now it's over  
Don't make me say to you  
'Let me go'  
We need a break from each other  
It's best for you, it's best for them  
Do I have to tell you again?  
Don't take my word for it  
Just because I might say 'love'  
Do I have to see you again?  
The pain's too much for me  
Okay, it was fun, but now it's over  
(We both know that it's over)  
We all know that it's over
