All In All

The Bates

ALL IN ALL
It was a nice time we spent together
ALL IN ALL
I hope it was the same to you
ALL IN ALL
I will not allow her nights of pleasure
ALL IN ALL
but now I changed my point of you

Ev´ry party has an end
ev´ry mountain´s watched this end (?)
Ev´ry boy will be a man one day
Yes it´s over and it´s true
there is nothing, you can do
I just haven´t got a reason to stay

ALL IN ALL
you thought this night would last forever
ALL IN ALL
but now the thorn is breaking through
ALL IN ALL
and now you want to keep the treasure
ALL IN ALL
BUT IT`S ALL OVER
SHAME ON YOU

Ev´ry party has an end
ev´ry mountain´s watched this end (?)
Ev´ry boy will be a man one day
Yes it´s over and it´s true
there is nothing, you can do
I just haven´t got a reason to stay
(Instrumental)

Ev´ry party has an end
ev´ry mountain´s watched this end (?)
Ev´ry boy will be a man one day
Yes it´s over and it´s true
there is nothing, you can do
I just haven´t got a reason to stay

Ev´ry party has an end
ev´ry mountain´s watched this end (?)
Ev´ry boy will be a man one day
Yes it´s over and it´s true
there is nothing, you can do
I just haven´t got a reason to stay
ALL IN ALL
