

# Friendship

The Bates

I'd like to know why you just treat me like a fool  
I'd like to know what reasons made you change your mind  
I'd like to know the way you treat your other friends

But the thing I know's that our friendship has an end  
Oh yes an end

Can you tell me If I have changed my way of thinking  
Can you tell me If I have changed and I do not know  
Can you tell me How I should act to get on your side  
And please tell me why our friendship has an end  
Oh yes an end  
(Instrumental)

I'd like to know why you just treat me like a fool  
I'd like to know what reasons made you change your mind  
I'd like to know the way you treat your other friends

But the thing I know's that our friendship has an end  
Oh yes an end  
(oh yes an end)  
it has an end  
(oh yes and end)  
(7x)

OH YES, AN END
