

Good Friends

The Bates

The story had to many ends. And now we're just good friends
Time after time a little kiss, but there's something that I miss

I was just searching about you
No other things I had to do
I hope you miss me now and then
and last not least we're just GOOD FRIENDS

ALL THE PAIN IS ON MY SITE
AND I DON`T FIND SLEEP AT NIGHT
AND MY HEART STILL BELONGS TO YOU

And every time I see you smile, my heart stops beating for a while
There is no other one for me, but baby: you'll always be
And when you kiss another guy, I runaway you won't know why
But I'll still be back agein, and last not least we're just GOOD FRIENDS

ALL THE PAIN IS ON MY SITE
AND I DON`T FIND SLEEP AT NIGHT
AND MY HEART STILL BELONGS TO YOU
Still belongs to you....to you.....yeah still belongs to you

ALL THE PAIN IS ON MY SITE
AND I DON`T FIND SLEEP AT NIGHT
AND MY HEART STILL BELONGS TO YOU

The story had to many ends, and now we're just good friends
Time after time a little kiss, but there is something that I miss
Ev'ry time I see you smile, my heart stops beating for a while
I hope, you miss me know and then

And last not least we're just GOOD FRIENDS
Just GOOD FRIENDS
