

Hello

The Bates

Woke up this morning and the streets were full of cars
All bright and shiny like they'd just arrived from mars
And as I stumbled through last nights drunken debris
The paperboy screamed out the headlines in the street
Another war and now the pound is looking weak
And tell me have you read about the latest freak
We're bingo numbers and our names are obsolete
Why do I feel bitter when I should be feeling sweet
Hello, hello turn your radio on
Is there anybody out there
Help me sing my song
Li-li-li life is a strange thing
just when you think you learned how to use it
it's gone
Woke up this morning and my head was in a daze
A brave new world has dawned upon the human race
Where words are meaningless and everything's surreal
Gonna have to reach my friends to find out how I feel
And if I taste the honey is it really sweet
And do I eat it with my hands or with my feet
Does anybody really listen when I speak
Or will I have to say it all again next week
Hello, hello turn your radio on
Is there anybody out there
Help me sing my song
Hello, hello turn your radio on
Is there anybody out there
Tell me what went wrong
Li-li-li life is a strange thing
YEAH
Life is a strange thing
(Instrumental)
Hello, hello turn your radio on
Is there anybody out there
Help me sing my song
Hello, hello turn your radio on
Is there anybody out there
Tell me what went wrong
Li-li-li life is a strange thing
Just when you think you know how to use it
It's gone
