It's Getting Dark

The Bates

It's getting dark again and I'm feeling good again
The the night it comforts me like wine
and it takes me out again to look for you my friend
there where the bright big city lights shine

And I wandered through the sky
and I hold my head up high
and I meet you 'round the bend
Getting and that old feelings is back
breaks my heart and breaks my neck
don't wanna get it to an end

The sun goes up again don't wanna get it to an end
Songtexte the night it comforts me like wine
it will take me out again to look for you my friend
there where the bright big city lights shine

And I wandered throught the sky
and I hold my head up high
and I meet you round the bend
and that old feeling is back
breaks my heart and breaks my neck
don't wanna get it to an end no

And I wandered round the sky
while I hold my head up high
and I meet you round the bend
and that old feeling is back
breaks my heart and breaks my neck
don't wanna get it to an end

It's getting dark again it's getting dark again
it's getting dark again it's getting dark again
