

It's My Party

The Bates

Nobody knows where my Judy has gone
But Johnny left the same time
Why was she holding his hand
When she's supposed to be mine

It's my party and I'll cry if I want to
Cry if I want to, cry if I want to
You would cry too if it happened to you

Play all my records, keep dancing all night
But leave me alone for a while
'Til Judy's dancing with me
I've got no reason to smile

It's my party and I'll cry if I want to
Cry if I want to, cry if I want to
You would cry too if it happened to you
Judy and Johnny just walked through the door
Like a queen with her king
Oh, what a birthday surprise Judy's wearing his ring
