

Lisa

The Bates

I heard a thunder
I've seen the rainbow fly
Blood-red trees
so sweet as it seems

LISA
Lisa smiles with the sun in her eyes
LISA
Lisa smiles with the sun in her eyes

I've seen a super-body
turn in the bath-room (?)
and phenomenal high
Spends higher and higher

LISA
Lisa smiles with the sun in her eyes
LISA
Lisa smiles with the sun in her eyes

I've seen Lisa smile
with a knife in her hand
blood-red trees
so sweet as it seems

LISA
Lisa smiles with the sun in her eyes
LISA
Lisa smiles with a plastic thing (?)
