

# No More

The Bates

I've had enough now  
I draw the line  
Leave me alone now  
Don't waste my time

I was waiting  
But it wasn't a way  
Waiting for a change  
But it's still the same

I don't wanna be bored no more, no more, no more (no more)  
I don't wanna be bored no more, no more, no more (no more)

I don't wanna see you  
Never again  
This is not joke  
This is the end

I don't consider anymore  
I don't pretend  
This is not joke  
This is the end

I don't wanna be bored no more, no more, no more (no more)  
I don't wanna be bored no more, no more, no more (no more)

Not sad to take action  
Not sad to move

I don't consider anymore  
I don't pretend  
This is not joke  
This is the end

I don't wanna be bored no more, no more, no more (no more)  
I don't wanna be bored no more, no more, no more (no more)

No more, no more, nooo more, no more, no more. No! More!
