

Not Like You

The Bates

I am happy you are sad
I am good and you are bad
I don't wanna be like you oh no

I am thin and you are fat
I am straight and you are mad
I don't wanna be like you oh no

I don't wanna be you brother
It's not hard for me to know
and I don't wanna f**k your mother oh no
OH NO

You are short and I am long
You are weak and I am strong
I don't wanna be like you oh no
I am night and you are day
Boy get out of my way
and I don't wanna be like you oh no

I don't wanna be you brother
It's not hard for me to know
and I don't wanna f**k your mother oh no
OH NO
(Instrumental)
