The Bates

Come on leave me alone now
come on set me free
I've got more than enough now
why don't you understand me
Why don't you leave me alone now
I ain't got no time
I've got no time to waste
I'm sure it would be a crime
HEY

I AM OFF (4x)
OFF (3x)

Cool a little bit down now
what's wrong with you
I have more than enough now
and I won't come for you
Cool a little bit down now
I ain't got no time
I've got no time to waste
I'm sure it would be a crime
YEAH

I AM OFF (4x)
OFF (4x)
