Rock'n'Roll Heart

The Bates

Could you ever imagine
I were the guy
Who never ever tells a lie
And every promise I gave to you
could always become true
Could you ever imagine
I were the man
Who always does the best he can
To get a job with honest pay
To buy a diamond ring for you

But I could never believe
You're the kind of girl to think indeed
I'm the kind of man who could ever leave
His way of life behind

Cause I've got a rock `n` roll heart
A rockin' rollin' heart
And whenit just began to beat
It was more than a part
Of that rock `n` roll man
That rockin' rollin' man
Who likes to have a lot of fun
And party `til the end

Could you ever imagine
I were the bloke
Who always does the same old joke
To amuse your friends of society
A sucker you would call
Could I ever imagine I were the boy
Who cannot stop to play with toys
His mommie works day in day out
He's dependent after all

But I could never believe
You're the kind of girl to think indeed
I'm the kind of man who could ever leave
His way of life behind

Cause I've got a rock `n` roll heart
A rockin' rollin' heart
And whenit just began to beat
It was more than a part
Of that rock `n` roll man
That rockin' rollin' man
Who likes to have a lot of fun
And party
just party
ever party
´till the end
