

Run

The Bates

Wheels are turnin'
Fire burnin'
In the night
Wrong is right

Get away
From those days
Set your sign
It's your time

Run
don't stop
Run
don't stop

Start a war
Break the law
Make it right
In the night

Get away
From those days
Set your sign
It's your time

Run
don't stop
Run
don't stop
Don't stop now!
